### Fellowships & Awards

**Professors for the Future and Info. Session Jan. 29th**

*Professors for the Future* is a competitive, year-long fellowship designed to recognize and develop the academic leadership skills of outstanding **PhD candidates and postdoctoral scholars** who have demonstrated their commitment to professionalism, integrity and academic service. Created in 1992, the UCD Professors for the Future program was one of the first professional development programs for future faculty in the nation. This unique program is sponsored by Graduate Studies and involves workshops, coursework, informal collaborations, and project-based learning. The program’s primary goal is to help prepare fellows for leadership roles in academia and to assist their professional development. All fellows receive a $3,000 stipend if selected for the program.

*An information session will be held on Wednesday, January 29th from 1:00 – 2:30pm in Room D,*
SCC. PFTF co-directors Ellen Hartigan-O’Connor, Associate Dean, and Teresa Dillinger, Academic Administrator, will discuss the application process and current PFTF fellows will discuss their experiences with the program.

2019-20 Outstanding Graduate Student Teaching Award - Call for Nominations

Graduate Studies is pleased to invite applications for the 2019-20 Outstanding Graduate Student Teaching Award. This award recognizes the contributions of graduate students to teaching and learning at UC Davis. We believe this is a tremendously important award because it honors outstanding graduate students, reminds the campus that teaching is a central part of the university’s mission, and can inspire students and professors to give increased attention to the educational process. Any member of the campus community having direct experience with the graduate student’s teaching can initiate nominations, and we particularly encourage undergraduate students to nominate their outstanding graduate student teaching assistants. Self-nominations are also allowed.

Nomination requirements and forms are available on-line at:  
https://gradstudies.ucdavis.edu/faculty-staff/graduate-council/outstanding-graduate-student-teaching-award

The final deadline for all application materials is Friday, April 8, 2020. Please submit the Initial Nomination Form well in advance of this date to provide your nominee with sufficient time to complete the application form and request a letter of recommendation.
