Happy week 9! 2 more days until Thanksgiving!

1. East Bay Municipal Utility District (EBMUD) Engineering Aide
2. Diversity in STEM Conference
3. Study Abroad Opportunities
4. Orientation Leader Application
5. Prized Writing Deadline Reminder

East Bay Municipal Utility District (EBMUD) Engineering Aide
What? Engineering Aide/Intern position with EBMUD
Who? Junior, Senior, or Graduate engineering student currently enrolled at an accredited college or university.
Where? Downtown Oakland
When? This Spring through Summer 2020
How to apply: www.ebmud.com/jobs
Due Date: Applications are due by 4:30pm, on Friday, Dec. 6, 2019.

For more details: See attached document, and/or follow this link: Engineering Aide applications due: Dec. 6, 2019

Diversity in STEM Conference
The Diversity in STEM Committee invites you to the 2020 Diversity in STEM Conference!
What is the 2020 Diversity in STEM Conference?

- An annual conference hosted by the Diversity in STEM Committee that provides a networking lunch with professionals and Professors, two different tracks (Professional and Graduate) of workshops on either professional development or graduate school, and a career fair!

**Date:** Saturday, January 25th, 2020  |  **Time:** 10:00am-5:30pm  |  **Location:** ARC Ballroom A & B

**Purpose of Conference:**

- To honor the progress that has been made towards diversity and inclusion on campus, in the industry, and beyond.

**Mission of Conference:**

- To bring together marginalized students, industry representatives, and faculty members to cultivate community, enhance professional and personal skills, and to continue a dialogue around overcoming the barriers impacting marginalized individuals in STEM.

**Study Abroad Opportunities**
SUMMER ABROAD
Iceland—Thermodynamics

Want to know more about the Iceland – Thermodynamics in the Land of Fire and Ice Summer Abroad program? Please join us for an info session on Tuesday, December 3rd at 1pm in Bainer Hall room 2130 to learn more about the program, get to know the faculty leader, and meet other potential program participants!

Learn and experience the fundamentals of thermodynamics and renewable power in a country where the electrical grid is entirely powered by geothermal and hydroelectric resources! Take Engineering 105 (some Prerequisites required) and ENG 198 (P/NP) and earn 8 units in just 4 weeks while traveling through incredible Iceland. This summer program is planned for June 16 to July 14, 2020. Scholarships are available, Financial Aid applies and no additional tuition is required!

Enrollment opens on January 8, 2020! This program fills on a first-completed, first-reserved basis, so I recommend gathering your enrollment materials including your Health Clearance and Passport. All students are welcome to apply for a UC Davis Study Abroad Awards ($500-$1000).

For those unable to attend, please connect live with Zoom or look out for the recording posted to the website after the session. See the attached flyer for more details.

SUMMER INTERNSHIPS
Engineering and Computer Science

Dear student,

Please join us for an info session about Engineering and Computer Science Summer Internships Abroad on Wednesday, December 5th at 2 pm in the International Center room 2119. Learn more about the program, get to know the faculty and meet other potential program participants! Please note that we will be holding one info session for all the Engineering and Computer Science Summer Internships (Argentina, Australia and Spain).
Earn 6-8 quarter units in 6-8 weeks while interning at an organization where you can both develop skills and experience working in the international arena of engineering or computer science. Summer internships are open to most Engineering and CS majors who have earned 8 units from engineering courses. Students are provided with internship placement, housing in homestays or apartments, 24/7 support, 2 planned excursions and optional social activities during their internships. Financial aid applies and many scholarships are available!

**Enrollment opens on January 8, 2020!** These program fill on a first-completed, first-reserved basis, so I recommend gathering your enrollment materials including your Health Clearance and Passport. All students are welcome to apply for a UC Davis Study Abroad Awards ($500-$1000). See the attached flyer for more details.

**Orientation Leader Application**
The UC Davis Orientation team has recruited over 300 Orientation Leader applicants. Almost 150 students have accepted our offer of employment. They’re ¼ of the way to 600, and their intention is to keep a waitlist once we hit the 600 mark to account for melt.

If you are interested in this opportunity, please visit orientation.ucdavis.edu This will connect you to the application as well as some brief updates about the components of the new UC Davis Orientation experience.

**Prized Writing Deadline Reminder**
With midterms wrapping up and finals on the way, Prized Writing hopes your Fall Quarter is going well!

They would also like to give a friendly reminder that the deadline to submit your academic papers is approaching! Don't forget, submissions must be for a Summer Session 2019 or Fall Quarter 2019 UC Davis class, 15 pages or fewer, and from any discipline except creative writing (creative nonfiction, however, is eligible for consideration).

All papers must be submitted through the online submission form by January 5, 2020 at 5pm.

For more on the publication, and to see previously published works by UC Davis students, 'like' the Prized Writing Facebook page and visit the Prized Writing website. For more information on the contest, please contact the Assistant Editor, Krista Keplinger at kykeplinger@ucdavis.edu
