

A COURSE FOR GRADUATE STUDENTS  
(MASTER'S & PHD) FROM ALL DISCIPLINES

# AMS 298-FALL 2019 DESIGNING YOUR PROFESSIONAL LIFE 2 UNITS, **CRN #30981** FRIDAYS, 12:10-2:00PM WELLMAN HALL 207

Graduate students will use the design thinking process, characterized by curiosity, experimentation and collaboration, to examine a variety of traditional and innovative career paths.

### Highly interactive sessions include:

- Self-assessment and occupational research
- Skills development (networking, writing for the job search, interviews)
- Interdisciplinary interactions with career professionals from a variety of industries & work environments.
