

# UC DAVIS INTERNSHIP AND CAREER CENTER

## MODERATED Q&A WITH RAVATA SOLUTIONS

Ravata Solutions is a fertility and reproduction start up that specializes in hardware and diagnostics, and uses automated assisted reproductive technologies (AART) to transform the IVF laboratory.

The virtual event will include information on Ravata Solutions and a moderated question and answer session with panelists including the company's CEO, Head of Research, and Head of Engineering.

**To RSVP, fill out the application by **Wednesday May 13, 2020:****
